**Instructions for Requesting 2017-2018 Residence Hall Housing**

Requesting on-campus housing is a three-step process:

1. **Request campus housing by March 31.** Students must submit the *Returning Student Agreement* between 9:00am, March 1, and 4:00pm, Friday, March 31. Visit [www.reslife.umd.edu](http://www.reslife.umd.edu), click on “Room Selection 2017” and submit your *Returning Student Agreement*.

2. **Resident Life will email you on April 5 about the status of your housing request.** We will formally notify you of your status by email on April 5. At that time, you will learn whether you are guaranteed campus housing or if you will be waitlisted for Fall 2017.

3. **If eligible, participate in Room Selection.** Room Selection is an online process, and more information about participating will be emailed to eligible students on April 5. Students not eligible for Room Selection will be placed on the housing waitlist starting May 15.
