How to Apply: Accessing the 2016-2017 Housing and Dining Agreement

Step 1
Sign into the ApplyYourself application portal (the same place you would’ve checked your decision)
Step 2
On the My Application(s) page you will see all forms available to you with their titles in gray boxes. Scroll down the page, past the document tracker, to the fourth gray box, which will read “Housing and Dining Agreement (For Admitted Students Only)” and click on the blue Start Application/Edit Application button to begin or continue your Housing and Dining Agreement.
Step 3
When you click on the blue button, you’ll be taken to the main page of the Housing and Dining Agreement, which displays some instructions on how to use this form.

Click on the “Housing Agreement Form” link in gray at the top of the left navigation bar to open the form itself.
**Step 4**
Once you click on that link, the Housing and Dining Agreement Form will open. Simply fill out all the required questions, and then click on the Submit Application button at the bottom or top of the page.

Follow the steps to preview your application, sign the signature page, and then you’re done!
